It is not necessary for your child to bring a packed lunch as they will eat their lunch before they leave. The children must wear long trousers or leggings to prevent any scratches or stings from plants/nettles.

### Absence Forms

If you know that your child is going to absent from school for whatever reason apart from illness we ask that an absence form is filled in for our, and your child's attendance records. These forms are available from Lyndsay Bray or Sue Tattersall. Thank you for your cooperation.

### Sunhats & Cream

Now that the lovely sunny weather has arrived please ensure that your child has a hat in school every day and that sun cream has been applied before they come to school. They may apply more sun cream throughout the day if necessary.

### Administering Medicine & Medical Forms

Could we politely remind parents that we do not provide any medication for the children at school or Little Lizards. All medicines are provided by and brought in to school or Little Lizards by parents. Staff are not able to give medication of any kind to any child unless a medical consent form has been filled in and signed. These can be obtained from Lyndsay Bray or Sue Tattersall.

## School Uniform - Lost Property

A reminder to please ensure that all of your child's uniform including their PE kit has their name clearly written in it. We currently have too many items of clothing that we cannot return to their rightful owners! This may result in these items being disposed of as we do not have the room to store anymore lost property.

Emma in Kittiwakes class has lost her green school fleece. Which also had her prefect badge and house badge attached to it. Kerensa in Choughs class is still missing a brand new TU cardigan which did have her name written in it. Please could you check if your child has brought these items home by mistake.

## Messages from Little Lizards

Staff at Little Lizards would like to politely remind parents of the session times. Children are to be dropped off in the morning between 8.45 - 9am and be collected by 3.15pm for each session they attend. Unfortunately if drop off and collection times are not adhered to then an extra charge will be made, as staff are either hosting Breakfast Club before 8.45am and After School Club begins at 3.15pm. Thank you for your cooperation and understanding.

Should there ever be an occasion when you know that your child will not be attending Little Lizards when they are scheduled to do so could we ask that parents inform staff as soon as possible. Quite often the children mention in conversation that they are away the next day and staff have not been made aware of this by parents.

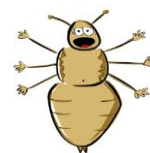

Each day, the children must bring a bottle of water and a sun hat with their name marked clearly on both. The children have access to their drink all day. Please put sun cream on your child before you bring them in.

The Little Lizards will be visiting Kennack Sands on Friday 6<sup>th</sup> July. Separate letters will go out to parents shortly. Their annual Sports Day will take place on Wednesday 11<sup>th</sup> July more information will also follow.

### Milk Bottle Tops

Thank you to everyone who has been collecting milk bottle tops for us to send to our friend of the school Mrs Reed. We are in the process of arranging for them to be collected and will not need any more to be brought in.

## Sports Day - Tuesday 3<sup>rd</sup> July 2018 - 1pm

We have decided to make some changes to our sports day format this year. We wanted to be able to include more of the children, more of the time, while still maintaining competition between the house teams.

With the help of the Mullion School Sports leaders, we will begin the afternoon with a round-about of sporting challenges. The children will be in mixed age house team groups and will earn points for their team. After they have completed all the activities we will then have traditional races where they will have another opportunity to win points for their house team.

Parents will be able to walk around the outside of the field to see their children participate in the challenges and when it is time for the races, they will be able to view them from the track side.

We are certain that using this format will encourage both team spirit and individual effort and we are really excited to be trying something new.

Many thanks

All the Landewednack CP School Staff
